

PATIENT OPEN DAY

**FRIDAY
23RD JUNE**

morning and
afternoon
slots

**Visit us
at Harwell to
find out about:**

- ▶ Primary scientific research
- ▶ How mice are used to study disease
- ▶ How the latest developments in gene technology are advancing our understanding of medicine

▶ Interactive tour
of working scientific
laboratories

▶ Visit our world class animal
facility, the Mary Lyon Centre
(please note, entry regulations apply)

▶ Research fair – talk to scientists about
the work taking place at MRC Harwell

▶ Patients, their families and
representatives are all welcome
to attend
